

CEO strives to create a culture of inclusion and belonging where everyone can be their authentic selves and feel respected, valued, and safe regardless of their background, perspective, culture, and experience.

We pledge to use our community presence to strengthen the diverse voices of our families, team members, and community partners.

Collectively we empower all to achieve economic security throughout their life stages by providing access to inclusive education, health, nutrition, and energy conservation programs.

DIVERSITY
EQUITY
INCLUSION
BELONGING
