**Flexible Spending Account (FSA)**- divide your annual allocation by your pay cycle (26, 24, 21, or 20 pay periods)

**Voluntary Life**- price varies with the age and amount of life insurance. Then the monthly premium listed in the guide is multiplied by 12 then divided by the 26, 24, 21, or 20 pay periods.

**United Concierge Medicine** (Telemedicine) - Employer paid, \$0

**All benefits are standalone so you can mix and match the way you see fit.**
